California

State Note Update:

CA - Note A

Per California Health and Safety Code Section 111656.7: An Out-of-State Home Medical Device Retailer Registration is needed for out-of-state suppliers who sell or distribute prescription only medical devices as determined by the FDA into the state of California. Suppliers who sell or distribute non-prescription/over-the-counter only medical devices into California are not required to obtain the CA Out-of-State Home Medical Device Retailer Registration. In addition, the Home Medical Device Retailer license is not required if the supplier holds a California Retail Pharmacy Permit. Pharmacies located outside of California must hold a California Nonresident Pharmacy Permit.

New State Note:

CA - Note G

Pharmacies located outside of California must hold a California Nonresident Pharmacy Permit.
